

REMARKS

The Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US), mailed September 18, 2006, required submission of an Inventor's declaration along with payment of the additional claim fees and the declaration surcharge. In response, Applicants respectfully submit a Combined Declaration and Power of Attorney and Part 2 Copy of the Notice.

In addition, the Notification required applicants to submit additional claim fees. Applicants have prepared an amendment to the claims herein above and as such submit herewith a claim fee that is recalculated based on the amended claims presented above. The amendments are presented solely in order to reduce the claims pending in the application and to remove improper "use" claims. The amendment to claim 26 is made in order to correct a typographical error in the deposit number which should be No.1-3094 and not No.1-3095 as listed in the claim originally. The correct number was listed in the specification at pages 39 and 79. No new matter is added by this amendment.

Enclosed is a check in the amount of \$4,430.00 covering the declaration surcharge (\$130.00), additional claim fees (\$2,700.00 for 54 excess claims in excess of 20), and additional independent claim fee (\$1,600.00 for 8 excess independent claims in excess of

The Applicants submit that no new matter has been added by the submission of the Sequence Listing. By the foregoing amendment to the specification, the Applicants request entry of the Sequence Listing and request that it be considered as part of the specification in the above-identified application
